That the C/M be alerted That

~~_____~~, I appreciate the fact that you've got quite a few orders to catch up on, but I feel it's important that we put this mechanism of the Council Order Update Report in place.

For that purpose I'd like to, at least, establish the title of the Council Order Update Report on the Agenda as a regular procedure.

Could you see to it that the Report's title is put on the Agenda next week and could you also come in with a date when we can begin having at least a short update on all orders as yet unfulfilled, on a weekly basis?
