MAYOR FRANCIS H. DUEHAY

Communication to the Honorable Members of the City Council

I have been in communication with Mr. Robert Neiley, Chairman of the Cambridge Historical Commission. He is Chairman of a subcommittee of the 350th Committee to design a marker to indicate the spot in Winthrop Square where Cambridge was founded in 1630.

I have asked representatives of the committee to have pictures of the marker available for the Council to view between 6 and 7 pm on Monday, August 4, 1980. I hope you can look at these pictures then and make any comments you feel appropriate in order that the 350th Committee can finalize its plans.
