To the Honorable Mayor and
board of Aldermen of the City
of Cambridge

Sirs I am about
reconstructing the ground floor of
my building at the Junction of
Main and Austin streets —
and as the improvement is to be
of a permanent nature and the
City have signified their intention
of changing the line of Austin
street at this particular point —
I wish to call the attention of the
Committee on Roads and Bridges to
the fact — as I desire to have them
determine what change if any is
to be made that I may go on
and make the contemplated
improvement without loss of time or
money to me —

D. A. Buckley
