Order:
amending regulations in
regard to moving buildings
through the streets.

Sept. 11. 1894

CITY OF CAMBRIDGE.

Cambridge, Mass., September 11th., 1894.

To the Honorable the Board of Aldermen,

Gentlemen :-

I transmit herewith

a number of petitions for permission to move certain buildings through several streets. In nearly every case it will require great care to move the building through the streets named without damage to the trees. In order to ensure proper care being taken, I would respectfully suggest that a provision be added to each permit granted by the Board, requiring the petitioner to bear the **expense** of the proper supervision of the work by an employee of the Street Department.

Respectfully submitted,

CHAS. A. BROWN,

Supt. of Streets.
