Dear Mr. Healy:

In response to your recent request for bus shelters at three locations (two on Mt. Auburn Street at the Social Security Office and Star Market sites and one at Walden Street and Concord Avenue), I have directed the staff to make arrangements to provide the shelters.

I am informed, however, that we previously agreed to a shelter installation at Walden Street and Concord Avenue, but the abutter objected. We will approach the individual again and inform your office if we encounter objections. The shelter at Star Market had also been approved, but installation was delayed at the request of Mr. Richard Easler because of construction in the area.

We will proceed with installation at all three locations as quickly as the aforementioned issues get resolved. Thank you for this opportunity to improve service to our riding public.

Sincerely,

**James F. O'Leary**  
**General Manager**

To the Honorable, the City Council:

In response to City Council Orders No. 7 and 8 of January 13, 1986 regarding the installation of bus shelters on Mount Auburn Street and at the corner of Walden Street and Concord Avenue, I submit the attached response from James F. O'Leary, General Manager of the Massachusetts Bay Transportation Authority. I have also been informed by the Traffic Department that the sidewalk construction on Mount Auburn Street should be completed this spring which will allow for the installation of the bus shelter at the requested site.

Very truly yours,

Robert W. Healy  
City Manager
