To The Honorable, The City Council:

In response to Awaiting Report Item No. 17, regarding a report on long-range planning that encompasses all school facilities and their administrative office space that extends beyond the five year capital planning cycle, please be advised of the following:

I have met with the Superintendent of School regarding the matter and have asked her to begin the development of such a capital plan. The plan will be done in consultation with the City's Capital Budget Committee and will be incorporated into the City's capital plan beginning in FY02.

Very truly yours,
