COUNCILLOR TOOMEY  
COUNCILLOR BORN  
COUNCILLOR BRAUDE  
COUNCILLOR DAVIS  
COUNCILLOR DECKER  
MAYOR GALLUCCIO  
VICE MAYOR MAHER  
COUNCILLOR SULLIVAN

WHEREAS: It has come to the attention of this Council that many residents in East Cambridge, Area IV and Wellington/Harrington neighborhoods have experienced a strong petroleum odor emanating from the construction project located at 364 Third Street; and

WHEREAS: These incidents of diminished air quality seem to be sporadic in nature and impossible to predict; and

WHEREAS: There seems to be some confusion about whom should be contacted when residents in the area are experiencing this drastically reduced air quality around the construction project; now therefore be it

ORDERED: That the City Manager be and hereby is requested to direct the Commissioner of Public Health to periodically monitor the air quality in the vicinity of the Construction project located at 364 Third St., and create a procedure for residents to report to the Health Commission any instances of drastically reduced air quality. This procedure should be made available to the residents in the adjacent East Cambridge, Area IV and Wellington/Harrington neighborhoods, and be it further

ORDERED: That the City Manager be and hereby is requested to report back to the Council with the procedure for reporting these incidences of drastically reduced air quality and what efforts have been made to publicize this procedure.

In City Council November 6, 2000.  
Adopted by the affirmative vote of eight members.  
Attest:- D. Margaret Drury, City Clerk.
