April 10, 2000

To The Honorable, The City Council:

In response to Awaiting Report Item No. 00-13, regarding a report on increased enforcement at the pedestrian crossing at Magazine and Green Streets, please be advised of the following:

The Commanding officers of both the Day and Night Patrol Sections of the Police Department have been directed to have a traffic unit give extra attention to stop sign violations at this intersection.

In addition, the Traffic, Parking & Transportation Department has enlarged the sidewalk and made the stop sign more visible at this location and will be repainting the crosswalk before the Summer. The Department will also begin a design review for proposed improvements of this intersection.

Very truly yours,
