Cambridge, June 9 19 80

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

that I appear before the City Council in order to discuss the contents of the hearing examiners report on the most recent request for rent increases based on capital improvements that I have submitted to the Cambridge Rent Control Administration.

I feel it necessary to bring the contents of this report to the City Council's attention on the following grounds: An excessively long delay between the time I submitted my request and the time the Rent Control Board gave me a hearing and a decision on that request, patent incompetency on the part of the hearing examiner to make the decisions she did and the completely unacceptable rationale through which the new rent levels were determined.
