

## Articles of Agreement.

Memorandum of an agreement & understanding made and entered into between the City of Cambridge & Howard College.

The said City having recently, on the river side of Mount Auburn Street between the Longfellow land and land now or late of O'Brien, constructed a bulkhead upon land of said College about Two hundred and twenty six (226) feet long and about five (5) feet distant from said street, and filled the space between said street and bulkhead:- both said parties to this instrument hereby agree and declare that such filling and construction is not intended to claim or create an ownership or easement of the area outside the line of Mount Auburn Street as heretofore established, and that the structure and filling may remain and be cared for by the said City without claim or right of damage on the part of said College.

Dated July 1888.

Agreement,  
City of Cambridge  
with  
Haward Coors
