

No. Cambridge Aug 73

Dear Sir,

Enclosed is the petition
of Messrs Richardson & others
for the acceptance and
laying out of an avenue
to be called Richardson Avenue,
the name designated on
plan of the City Engineer, as
^{the name of}
President St., formerly Mohr, ^{St.}
had already been adopted.

The City Engineer has an
elaborate map of the land
and will furnish a plan
of the proposed avenue.

In '71 a very strong
^{Adm. S. Dadd & Co.,}
petition was presented for the
same object, but, in the absence
of Mr. Harding, last Summer
no formal action was taken.

Of that petition I shall be

taken from the files & referred
to the present Commission
on Roads &c. it will
bring the whole question
before them.

Yours truly

Edw. D. Ladd

J. Woodbridge Esq.

J. B. Russell & Co.

To the Honorable the City Council of
the City of Cambridge,

Respectfully represent that the
public necessity requires that a high-
way should be opened from Halden St.
to a point near Porter's Station, and
pray that Richdale Avenue as
designated on the map or plan drawn
by the City Engineer may be accept-
ed, and that the same be extended
to Lambert Avenue.

April 2 1873.
