Dear Ms. Drury,

I spoke with you on the phone yesterday, and am writing to you as instructed to request a hearing with the City Council. (This is in regards to my condominium building at 12 Irman St; I own Unit 21, and have been asked by other unit owners & the Board of Trustees to represent the building.)

The problem is: getting our garbage/trash collected by the city, since we all pay residential property tax like other Camb. home owners.

I spoke with both Mr. Evans & Ralph Dunphy at the OPW, without a satisfactory solution being offered.

So please schedule me as soon as possible (- March 7 would be good.). I won't be available Feb 28, as I work (as a nurse at Camb. Hospital) that evening. Thanks.
