Dear Mr. Edey:

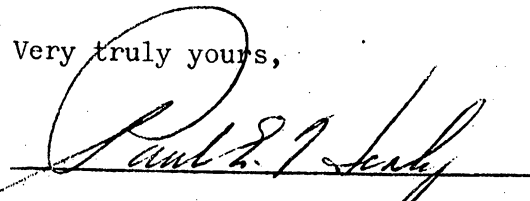

At the City Council meeting of December 15, 1980 the City Council was in receipt of your petition for a driveway at the premises numbered 135 River Street.

Your petition was not approved due to the fact that a Zoning Board Variance is required before this driveway could be approved.

Your petition was referred to the Board of Zoning Appeal in the Building Department for a hearing on this requirement of a Zoning Board Variance.

If you need more information in this regard, please contact the Building Department.

Very truly yours,

Paul E. Healy, City Clerk.
