D.P.U. 92-222

US FIBERCOM NETWORK, INC.

US FiberCom Network, Inc., ("USF" or "Company"), a Delaware corporation, seeks permission the Department of Public Utilities to provide long distance telephone services within Massachusetts.

USF proposes to offer long distance telephone services, including voice, data, and facsimile communications, to business and residential customers.

This investigation is officially captioned:

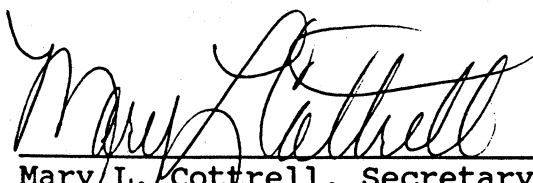

D.P.U. 92-222

Application of US FiberCom Network, Inc., under the provisions of Chapter 159 of the General Laws as amended, for a certificate of public convenience and necessity to operate as a resale, value-added or interexchange common carrier within the Commonwealth of Massachusetts.

Comments, objections and requests for a public hearing on the proposed service must be made in writing with specific reasons for requesting a public hearing, and filed with the Secretary of the Department on or before November 27, 1992.

The petitioner, USF, is required to give notice by publications hereof once, in the Boston Globe, the Morning Union (Springfield), the Berkshire Eagle (Pittsfield) and the Worcester Telegram, and to serve a copy hereof at least twenty-one (21) days prior to said date [December 1, 1992], on the attached list, and to make return of service and publication no later than December 1, 1992.

By Order of the Department,

Mary L. Cottrell, Secretary
