Dear Councilors:

On behalf of the North Cambridge Stabilization Committee (NCSC), I would like to inform the Council that the NCSC does not consider the conversation ended on the Mass Ave "Upgrade" process or project. While the City Council, CDD, DPW and the city's consultants may believe that future conversations about the upgrade should only focus on landscaping-related issues, the NCSC voted unanimously at its 22 April, 1998 meeting to continue to revisit more basic project issues and problems until the Committee receives satisfactory and factually accurate answers.

Should you have any questions about this letter or any other North Cambridge issue please feel free to call me at 617-354-8353 or email me at VoteCraig@Juno.com.

Sincerely,

Craig A. Kelley
Vice-Chair
