To the Honorable, the City Council:

In response to Awaiting Report Item No. 3, regarding the status of an ordinance calling for thirty Police Patrol Officers, please be advised that as a result of the most recent collective bargaining agreement with the Police Patrol Officers Association, the City has been able to achieve the equivalent of this City Council request.

The newly established Impact Shift provides the flexibility to assign up to thirty officers on an Impact Shift between 4 P.M. and 2 A.M. This shift configuration also allows for additional coverage on the so called "day shift".

Therefore, the desired coverage has been provided in the most cost effective manner.

Very truly yours,

Robert W. Healy  
City Manager
