

The Commonwealth of Massachusetts
DEPARTMENT OF PUBLIC UTILITIES

May 8, 1989

D.P.U. 89-77

NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY

The Department of Public Utilities has opened an investigation into the unsuccessful attempts by TelVue Corporation and Continental Cablevision to obtain access to the Automatic Number Identification ("ANI") feature of Feature Group "D" access from New England Telephone and Telegraph Company ("NETT"). The Department will consider whether it is reasonable for NETT to prohibit the availability of access to ANI only to entities holding a certificate of public convenience and necessity from the Department.

The above investigation is officially captioned:

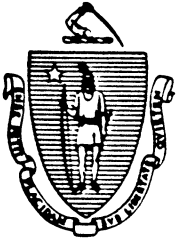

Investigation by the Department on its own motion into New England Telephone and Telegraph Company's Tariff, M.D.P.U. No. 15, as it relates to accessing the Automatic Number Identification function of Feature Group D.

The Department of Public Utilities will conduct a public hearing regarding this matter on Thursday, June 1, 1989 at 10:00 a.m. at its hearing room, #1210 Leverett Saltonstall Building, 100 Cambridge Street, Boston, Massachusetts.
