OFFICE OF
SUPERINTENDENT OF STREETS,
CITY HALL,

Sept. 9 1887

Jos. A. Ball, Esq.
Chairman of Committee
on Accounts

Dear Sir,

I am informed by the Auditor, that your committee would not approve the Street Watering bill of Jas. H. Burns, from the fact that the contract was in the name of D. F. Burns. I made the change at the request of D. F. Burns, who, on account of going west left his business in the hands of his brother Jas. H. and we supposed that would be the easiest way to procure the money. In order to meet the views of your Committee and to enable them to procure the money I have changed

the name on the bill to D. F. Burns.

Yours Respectfully
John. M. Dorley
Duph.

Clk of Committees } Dear Sir;

At
a meeting of the Committee on Accounts
held Sept. 8th objection was raised to approving
a bill in the name of James H. Burns for
St. Watering - the attention of the Committee
having been drawn to the fact that the
Contract was in the name of David F. Burns
accordingly the bill was referred to the Sup.
of Streets who changed the name to D. F. Burns
and returned it to the Auditor accompanied by
the enclosed note - The bill was ^{again} presented
to the Committee on Accounts ~~again~~ at a
meeting held Sept. 14th 1887 but objected to
by the Committee as the Committee on Roads.

Bridges had not approved the bill in the
name of L. F. Bunker. The Committee voted
to omit the bill from the draft and return
it to the Committee on Roads and Bridges

Respectfully Yours
