Dear Council Members:

We request permission to display our chairs on the first two feet of the sidewalk in front of our store at 2000 Mass. Ave. in Porter Square. We would like to do this during regular daylight business hours weather permitting.

Our insurance company is prepared to post the required bond for this. We also recognize the importance of keeping the chairs in a safe and orderly display. We feel that an interesting assortment of chairs in front of the store gives the neighborhood character and charm.

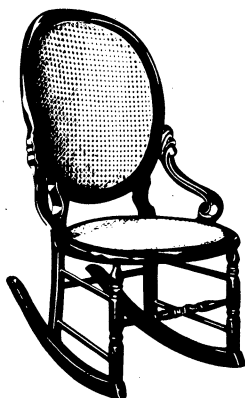

On the issue of safety, all of our chairs are new and in good condition. There are no sharp edges on which pedestrians would hurt themselves. One of our employees is blind and he says that they do not cause a problem for blind people. We will see to it that the rest of the sidewalk is kept clear and that we do not exceed our two feet limit.

Copies of the text of this letter have been sent to Mr. Sommers at Public Works and Mr. Singnayagam at Inspectional Services.

Thank you for your time considering this matter. An affirmative answer on this matter would help our business. Residents and visitors to our neighborhood are welcome to sit on the chairs.

Respectfully Yours,

William S. Fischer
President
