A discussion took place with Mr. John Silva, Director of Security for the Cambridge School Department, regarding the news media converging on the Harrington School seeking to interview children regarding the Curley case.

Thomas F. O'Connor
Deputy Superintendent

Mr. Silva agreed to have the School Department's public information staff contact all media outlets requesting they not attempt to interfere and/or interview the children at the Harrington School. Mr. Silva will assign a security staff to the school in order to ensure media personnel do not enter school grounds. The Police Department will respond to all requests to have media personnel (or other outsiders) removed from the grounds of the Harrington School.

Gloria A. Pimentel
Deputy Superintendent

A planning meeting was held last week with other City Departments and representatives of all affected organizations to discuss all relevant issues.
