

Mr. George Teso, Director
Department of Traffic and Parking
57 Inman Street
Cambridge, Mass. 02139

Dear Mr. Teso:

We, residents of Bay, Franklin, Green, and Hancock Streets, are very concerned about the number of cars, as well as the speed at which they travel, on our streets. There are over 50 children in our neighborhood. Two have already been hit by cars, and another child recently came very close to being hit. This is a serious matter.

We would like stop signs and crosswalks painted and colored in on all sides of the intersections named below:

Franklin and Hancock Streets
Green and Hancock Streets
Franklin and Bay Streets
Green and Bay Streets.

Because our children have already been hurt by cars, we also ask that speed bumps be placed at appropriate points on our streets. Traffic is increasing in our neighborhood, and we cannot afford another accident.
