Dear Ms. Bellew:

This is in response to your letter of May 9th wherein you requested that I insure compliance with Article 11.500(Planning Overlay Requirements) of the Zoning Ordinance concerning possible future construction at 157 Sixth Street.

At this time, the Inspectional Services Department has not received an application for a building permit at this address. Should such an application be received, a review will be conducted, as is done for all applications, for compliance with the provisions of the Zoning Ordinance prior to issuance of any building permit.

I hope this letter is responsive to your request. If you have any further questions, please don't hesitate to contact me.

Sincerely,

A handwritten signature in cursive script, appearing to read "R. R. Bersani".
