

Robert E. McGinness, Esq.
19 Sheridan Road
Wellesley Hills, Massachusetts 02181

June 26, 1986

Dear Members of the City Council:

On behalf of my mother and our family, I wanted to personally thank the Council in honoring Bill McGinness by dedicating the Water Purification Plant in his name. Dad's service with the City spanned 53 years but his first love was the Water Department.

We are extremely grateful that you have chosen to recognize his dedication and commitment to the City in this way. We could think of no greater honor.

Sincerely,

Comm. from Robert E. McGinness, Esq., on behalf
of his family, expressing their appreciation
to the City Council for dedicating the Water
Purification Plant in memory of his late
father, William McGinness.

In City Council,
