City Council
City of Cambridge

Cambridge, Massachusetts 02138

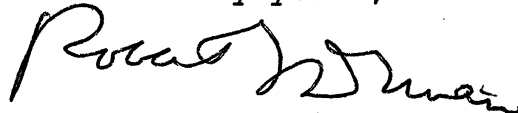

Gentlemen:

Thank you for sending me the resolution concerning the opposition of the Cambridge City Council to revenue sharing proposals that lack the necessary safeguards.

You will be interested to know that I have co-sponsored H.R. 4617, the State and Local Government Modernization Act of 1971. This bill is geared to improve intergovernmental relationships and the economy and efficiency of all levels of government by providing Federal Block grants for localities where there is a demonstration of intention to modernize local government.

You may be assured of my continued efforts in support of such legislation.

Cordially yours,

Robert F. Drinan
