Cambridge City Council
City Hall
Cambridge, Massachusetts

To the Honorable the City Council:

On behalf of the Mid-Cambridge Neighborhood Association I want to extend my warmest thanks to the City Council for dedicating Mid-Cambridge City Park in honor of the late Joan Lorentz.

The Renaming Ceremony on October 31 was a beautiful event and it would not have been possible without the help of the Council and many City employees. Mayor Duehay and Concillor Toomey gave their time generously to help plan the dedication. Deputy City Manager Richard Rossi, Sandra Albano and the Public Works Department helped with the arrangements.

The presence of Mayor Duehay, Councillors Born, Reeves, Sullivan, Toomey, Triantafillou and Toomey and School Committee Members Grassi and Segat and Councillor Russell's letter showed that our City has a real heart. The people who attended will remember the ceremony for years, and I think that Joan would have been very pleased.

With gratitude,

John Pitkin

President, Mid-Cambridge Neighborhood Association
