To the Honorable, the City Council:

In response to Awaiting Report #28 regarding Royal Institutional Services, please be advised of the following:

The City of Cambridge and The Cambridge Hospital Community Health Network is committed to fair and humane personnel practices, and will continue to make every effort to ensure that our procurement policies and procedures reflect this to the fullest extent possible.

The current Hospital laundry service contract expires on September 30, 1996; the contract for this service will be re-bid via a request-for-proposals (RFP) this summer. The RFP will include a request for information on responsible and fair labor practices.

Very truly yours,

Robert W. Healy
City Manager
