

To His Honor the Mayor, and Board
of City Councils.

Cambridge, May 27, 1885.

The Class Day Committee of Harvard College respectfully petition the Mayor and Councils of the City of Cambridge for permission to extend the seats around the Class Day Tree over the sidewalk on Cambridge St. for a space of about 100 ft. opposite the Class Day Tree. The holders of the seats will sign bonds as a guarantee to the City in case of any accident resulting from the extension of the seats over the sidewalk. In past years this permission has always been granted to the graduating class by the City authorities and the Class of '85 will appreciate the kindness of the City in granting them the same favor.

J. J. Colony Jr. C.D.C.
