Dear Gentlemen,

I received the beautifully bound resolution of the City Council to congratulate me on the Silver Jubilee of my Ordination to the Priesthood of Jesus Christ. It was an unexpected honor and pleasure to be so kindly remembered at a time so special to me in my service of God, the Church and the Community.

I am proud to be working in Cambridge because it is a City with broad interests and where all the needs of her people are taken seriously—including the religious needs. I pray that I may always be attentive to the people of this City in the way in which I can serve them most. I also pray that God will bless all of you and help you in your difficult and responsible task of serving the City as members of the City Council.

My sincere thanks and blessings.

Sincerely Yours,

Fr. Bert Stankard
