To Whom It May Concern,

I am writing in request of two permits; one allowing me to place a stand-up sidewalk sign approximately two feet wide x approximately three feet high outside the front door of my restaurant at 1667 Massachusetts Ave. It would be placed on the sidewalk and sideways against my building and used to show my menu and daily specials.

The other permit would be for another stand up sign on the island on Massachusetts Ave. directly in front of my building. This sign would be to show that we have a parking lot in the rear of our building, thus allowing the use of more on street parking for the rest of the neighborhood.

I will follow this letter with a call to answer any questions you may have.
