The undersigned respectfully pray

That he be reimbursed by the City of Cambridge for damage sustained
to his motor vehicle on or about May 12, 1976 at the premises numbered

The damage to my motor vehicle was caused as a result of the
construction of a new sidewalk at the above premises. In tearing
up the sidewalk the area was kept in an uneven condition with pro-
jecting chunks of concrete or masonry which caused damage to the
underside of my 1973 Pontiac Catalina motor vehicle Mass. Reg. #

and the clamp hangers and the underside requiring repairs in the total
amount of \$76.48. A copy of the paid bill is submitted herewith.
