15,

City Council
Cambridge, Mass.

To You All:

What in the world are
you thinking of lowering
the voting age to 16-

Having worked with 16 yr
olds, I know their political
development needs at least two
more years to grow. sometimes
more.

Young people should be
allowed to grow and not forced
to be an adult too soon. Maybe one
person can do it, but not all-
Please do not start changing the
voting laws - we have enough
trouble now. Tell the young person
who is pushing it that he will be
soon 18 yrs. old. Thank You -
Mary Hudson
