CAMBRIDGE, MASS. 02139

10 August 1977.

Dear Cambridge Councillor:

This note is to express my opposition to the so called "Brown Bagging" I invested plenty of money in a licensed legal establishment and I think "Brown Bag" would mean a lot of that money would be wasted.

I also think "Brown Bag" would encourage a lot of on street and in car illegal drinking.

Sincerely,  
Eugene W Sharkey,  
Pres.
