Subject Cambridge River Festival

Enclosed for informational purposes you will find a copy of City Council Communication No. 21 of February 24th, 1986 with regard to the 10th Annual Cambridge River Festival. Said communication was placed on file. However, Councillor Vellucci at the time inquired as to the dollar cost to the City of the Festival, including the departmental services required, the amount of money received from private sources and as to the disposition of all funds received in connection with the event.

CAMBRIDGE RIVER FESTIVAL

NOTICE

TO: All involved City Departments
FROM: Sara W. Germain, Will Stackman--CRF '86 Staff
DATE: February 13, 1986

The 10th annual Cambridge River Festival will take place this year June 7 through 15, with the big Festival Day scheduled for Saturday, June 14 (raindate June 15).

In addition to the traditional Festival Day on the banks of the Charles River, other Festival events during the preceding week will include a Street Performer's Festival, Opening Day ceremonies on the Cambridge Common, the Riverside Press Park Caribbean Festival, a Children's Festival, An East Cambridge Celebration, a Street Dance, and the Royal Sonesta Fireworks.

The theme for the 10th anniversary Festival is "Bridges," recognizing the literal and metaphoric bridges within the city of Cambridge--from the bridges over the Charles to the many connections between past and present, old and young, neighborhoods and ethnic groups, artists and community members that have been at the heart of River Festivals since 1977.

The Cambridge Arts Council and the River Festival staff invite all City Departments and employees to participate in this special Festival, celebrating the season, the arts and the people of Cambridge.

For more information, contact Sara Germain or Will Stackman at the Cambridge Arts Council, City Hall Annex, 498-9033.
