

Cambridge

March 11, 1979

To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully prays

That restitution be made for damages to my car which was hit by a sidewalk
brick thrown from the Third Floor window, Room 301, while I, Walter Lucey,
was removing tools from my car at the rear entrance to Latin Boiler Room,
on Thursday, March 8th, between 8:45 A.M. and 9:00 A.M.

Witness to the event was John "tweet" Reardon a teacher in Room 307, who
happened to be looking out his Room window and saw 3 Girls students leaning
out the window and throwing the brick. Mr. Reardon saw the brick come out
said window and hit the left front fender of my car. He can't be positive
to the identification of the Students as they drew back quickly into the
Room. (Estimate of damages enclosed).

Hoping for a quick resolution, I remain,

Respectfully,

Walter D. Lucey
