

74 R Fayerweather Street, Cambridge, MA 02138

November 1, 1998

Dear Members of the City Council:

I am writing in support of the Huron Village Neighborhood petition for the installation of a traffic light at the crosswalk between Huron Drug and the Cambridge Trust Bank.

This is a very busy intersection, however small the size of Huron Village. Fayerweather Street students in the 7th and 8th grades utilize the restaurants to purchase lunch and many of our staff frequent the businesses in the Villlage during after school hours.

I encourage you to act to install a traffic light at the designated location in order to prevent any further vehicular accidents.

Sincerely,

Susan E. Kluver,
Head of School

Consent Communication #19 69DS

A communication was received from Susan E. Kluver, transmitting support of the Huron village Neighborhood petition for the installation of a traffic light at the crosswalk between Huron Drug and the Cambridge Trust Bank.
