SO ...

You plan to shove down the throats of The Public your ridiculous, and arrogant idea of the name-switch from Boylston Street (a good name, which has been around here for many years) to Kennedy Street ... and for what good reason?!

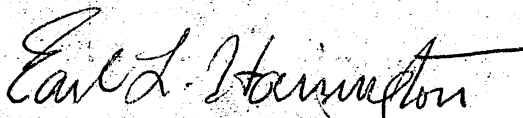

I am of the minority, of this Liberal Lashup once known as Cambridge, but - with your "help" - it would not surprise me that you would prefer it to be known as Kenbridge, no?

I have no use, for the Kennedy Klan, and its ilk, nor for many a Pol ... of this State, at least (but not to forget many who are in Washington!).

To mix-up, again, the words of someone else:

"Ask not what you can do for your City, but ask what you can do for the Kennedys?! ... for Vellucci?!

You make me sick!!

ATT.: LETTERS TO THE EDITOR

In regard to the proposed railroad job of changing the name of Boylston Street, of this City, to that of Kennedy Street ...

I agree, wholeheartedly, with my friend, Mrs. Alison Boylston Piazza, who objects to said stupid idea!

As a Conservative-type (and Independent, when voting, on occasion), I continue to have no use for the Kennedy Klan (nor, for that other, so named, who was paid for not working); none, for the loud-mouthed Poles who appear to have nothing better to do than to give Cambridge an image which it does not deserve, and a group too similar to the Boston City Clowncil. In fact, I continue to have very little use for many a Pol!!
