CAMBRIDGE MA.

Joseph Connarton, Clerk
City of Cambridge
795 Massachusetts Avenue
Cambridge MA 02139

Dear Sir, and members of the Council,

I am a candidate for the state legislature. During my contact with voters in my district, I have become aware of how concerned people are about the Route 2 and Alewife rotary situation, both current and planned.

Please give me an opportunity to share with you these concerns, individually, or with whomever you feel relevant.

Sincerely,

Howard Claycombe
