

#26

CITY OF CAMBRIDGE
INTEROFFICE CORRESPONDENCE

To Robert Healy, City Manager

Date Dec. 14, 1984

H. Teso
From George Teso, Traffic Director

Reference

Subject City Council Order #14 of November 19, 1984, "Enforcement of the Traffic Laws on Kirkland Street and Quincy Street"

The Traffic Department is currently installing "No Left Turn" signs facing westbound traffic on Kirkland Street at the intersections of Irving Street, Roberts Road and Myrtle Street.

Along with these left turn restrictions the Department has revised the intersection of Quincy Street and Cambridge Street to allow left turns from Quincy Street into Cambridge Street.

These revisions and restrictions are designed to reduce the number of vehicles that use these streets as a shortcut and I have met with the police department concerning these changes and have stressed the importance of enforcing these regulations.

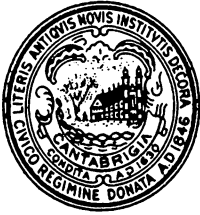

The plan will be put into effect on January 2, 1985 and we will be monitoring the changes along with the police department to insure that drivers obey these laws. I will also add additional signs warning drivers of these changes on all approaches to these streets.
