To the Honorable, the City Council:

I am requesting an appropriation of \$72,100 from free cash to the School Department General Fund Other Ordinary Maintenance account.

The appropriation is being requested to cover clean up, sanitation and repair costs that are a result of the CRLS boiler room fire over the Memorial Day weekend.

A detailed assessment of the damage and possible repair or replacement options for the two large boilers is underway which will generate an additional appropriation request once all the information is analyzed.

Very truly yours,

Robert W. Healy
City Manager
