To the Honorable, the City Council of the
City of Cambridge:

The undersigned respectfully pray

The Central Square World's Fair Committee and the Central Square Business Association request the support of the Cambridge City Council for this year's Central Square World's Fair on Septmeber 21, 1997. This year we plan to do a similar type of World's Fair; however, we want to expand the fair down Mass Ave. between Pleasant and Prospect Streets. Due to the overwhelming interest in the gospel stage, we'd like to move the gospel stage to Mass. Ave. in front of the 1369 Coffee House, add a blues street on Temple St., and create a Latin/Spanish Street on Pearl Street. Thank you in advance for your support.

Sincerely,

John Clifford, Chairperson
Central Square World's Fair Committee
