URGENT HOME-RULE PETITION OF TO RESTORE ORDINANCE "C 1/2" :

Cambridge City Hall
Dear Cambridge City Council:

Every week that passes without The Cambridge City Council not asking the Massachusetts Legislature to Restore Ordinance C 1/2 means even hundreds of apartments lose to tenants on rent control.

Therefore on behalf of concerned Tenants in Rent Control as well in non-rent controlled apartments (Cambridge Tenants for Stronger & Expanded Rent Control), I urgently ask The Cambridge City Council not to delay again the very urgent & important need & matter to ask immediately the state legislature to restore The Cambridge City Council Ordinance C 1/2 through the urgent passing of this Home Rule Petition.

Sincerely Yours,

Albert C. Puell
