

Poston June 28th 1887

E. W. H. Emcke,

Chairman Committee of Roads & Bridges
City of Cambridge

Dear Sir

We find we did
not figure in the correct dimensions for the third St
Abutment having put in figures for a 6" foot instead
of a 7 1/2 foot ones. Should like to withdraw our
first bid if possible and put in the enclosed.

Respectfully Yours
Baptist P. D. G.

Baynton Box

Rejected
