WHEREAS: The Governor and Legislature of the Commonwealth of Massachusetts directed the Massachusetts Corporation for Educational Telecommunications to establish the Massachusetts Community Network to provide data communications services to the public primary and secondary schools, state universities, colleges, community colleges, municipalities, and state agencies of the Commonwealth; and

WHEREAS: The Massachusetts Community Network provides an integrated, high-quality, secure communications system that allows public organizations and public employees to serve the public interest more effectively and efficiently; and

WHEREAS: The creation of the Massachusetts Community Network has significantly increased competition in the market for public sector communications services, resulting in greater choices and dramatically lower prices for every public sector organization in the Commonwealth; and

WHEREAS: The Massachusetts Community Network provides the Commonwealth with a communications infrastructure that will play a key role in realizing the incredible promise of secure, pervasive, electronic government-to-government transactions; and

WHEREAS: The creation of the Massachusetts Community Network required the Massachusetts Corporation for Educational Telecommunications and Digital Broadband Communications of Waltham to forge a close strategic relationship; and

WHEREAS: This close strategic relationship was only realized through the hard work, team work, expertise, and personal commitment of numerous employees of the Massachusetts Corporation for Educational Telecommunications and Digital Broadband Communications; and

WHEREAS: David Wieneke served with the utmost distinction as the project director of the Massachusetts Community Network; and

WHEREAS: David Wieneke's dedication, knowledge, and professionalism were critical in every aspect of creating the Massachusetts Community Network; now therefore be it further

RESOLVED: That the Cambridge City Council recognizes and commends David Wieneke for his outstanding contributions to the public organizations, citizens, and businesses of Cambridge and the entire Commonwealth through his efforts and overall leadership in implementing the Massachusetts Community Network.
