To The Honorable, The City Council:

In response to Awaiting Report Item No. 44, regarding a report on the condition of tennis courts throughout the City and deteriorating playing surfaces at Corporal Burns Playground Court, Assistant City Manager for Human Services Jill Herold reports the following:

The Open Space Committee is in the process of updating the Open Space Inventory on the existing conditions of all open space sites in the City, including tennis courts.

During the FY97 Public Investment Budget process, the Open Space Committee will review the Corporal Burns Playground Tennis Court and will make recommendations regarding the scope of work required, related costs, and the order of priority based on other renovation needs established by the inventory of open space and the preventative maintenance program.

Very truly yours,

Robert W. Healy
