Mr. John H. Corcoran
City Manager
City Hall
Cambridge, Massachusetts

Dear Mr. Corcoran:

I have completed signing the area of Sherman Street and Walden Street; and Sherman Street and Huron Avenue with the new international type signs. These signs are adequate and are of the size and type required by the State and Federal Governments.

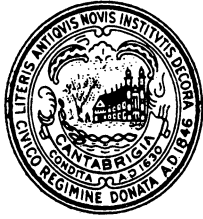

To start putting up signs that are not of the type authorized under the new "Uniform Manual of Traffic Control Devices" would cause the City to lose federal funds under the State Chapter "90 and "TOPICS" program.

It is also my opinion that the area mentioned above is adequately signed and we are continuing in our effort to do what we can in the enforcement area.

Very truly yours,

George Teso
Traffic Director
