To the Honorable, the City Council:

With respect to Awaiting Report Item No. 7 regarding the number of policemen and detectives on the 12:00 to 8:00 A. M. shift, I am not including this as an agenda item due to the sensitivity of the item with regards to Public Safety.

From 12:00 to 8:00 A. M. there are 6 superior officers and 22 patrolmen on duty. There are no detectives on duty on that shift. However, there are 6 plainclothes detectives on duty until 1:00 A. M.

Very truly yours,

James L. Sullivan
City Manager
