Distinguished Sir:

We have received, with utmost interest, the communication of the Sister City Committee of the City of Cambridge, Massachusetts, in its intention to develop relations that would make possible the sisterhood between our two cities of Cienfuegos and Cambridge.

The visit of Ms. Peggy Lynch and Rena Leib to our city has allowed the initiation of this interchange, so that through them we wish to make known our disposition to continue developing this relationship, so that in a not so distant future, we may make the sisterhood official.

Actions such as this will enhance our mutual understanding and make possible normal relations between the peoples of the United States and Cuba.

Please accept this testimony of my admiration, respect and personal consideration.

Cordially,

José Hernández Bernández
