RE: Massachusetts Avenue Bike Lanes

Dear Members of the City Council:

As an attorney practicing in Cambridge, a former resident of the City, and a frequent cyclist, I read with great interest of the Massachusetts Highway Department's plans to include bicycle lanes in its reconstruction of Massachusetts Avenue from Main Street to Memorial Drive. This terrific idea deserves the endorsement of the City Council. It will reflect the City's vitality and foresight. The minor inconvenience of loss of parking spaces is outweighed by the safety, environmental and community benefits of this plan.

Sincerely,

Stephen D. Anderson
