To The Honorable Cambridge City Council:

This letter is to advise you that the Board of Directors of the Central Square Business Association approves and supports the curb cut application of the Forest City Development Program.

Additionally, University Park officials have worked in close contact with the Central Square Business Association on a variety of issues, as a complimentary development in Central Square. We look forward to the continued partnership and to the increased business in the Central Square area because of this project.

Sincerely,

Julie Roxanne Barsam
