Subject: City Council Calendar Item # 3, dated 9/26/94

Over the past several years, the Cambridge Police Department has utilized cable television in its efforts to educate the community in crime prevention and to combat serious crime.

For the last year, the Police Department has participated in a cable television show entitled **"5 Western Avenue"** hosted by the Public Information Officer, Frank Pasquarello. The show has addressed a wide range of topics including domestic violence, date rape, crime prevention, etc. Guests and experts on various topics have regularly participated in discussion.

Over the last two years, the Police Department has produced 15 Public Service Announcements for cable television on a number of topics including domestic violence, jay walking, etc.

In the next year, the Department is exploring the possibility of producing a series of 30 minute crime prevention/community related shows for cable television.
